PRESENTED BY:

LARA TRAUBE, ACC, CPC, ELI-MP

Creating healthy boundaries helps us to maintain professionalism when circumstances would otherwise result in conflict or hostility. In this presentation, Lara Traube will teach us how to create boundaries when faced with challenging or antagonistic situations that arise while performing legal services. Ms. Traube will use relatable scenarios that commonly arise in a law office. She will then introduce solutions on how to overcome these situations effectively. These skills will help overcome anxiety and allow us to continue to perform our services with competence while reducing stress.
