January 26

12:00-1:00 PM

Virtual Meetings and Spaces

Join us for an interactive session on the most used video platforms in the legal industry. This session will cover the setup, functionalities and tech lingo of Zoom, Teams and WebEx. Learn which platform is best suited for which type of meeting you plan on having; tools within each platform including share screen and break out rooms; and, how to help troubleshoot issues for your guests.

In keeping with the spirit of the virtual meetings, this program is designed as an interactive workshop with Zoom breakout rooms. As we aim to align the content and prompts to the needs of our community, please don't hesitate to share your virtual meeting questions and concerns in advance by emailing shill@meyersnave.com.

Note: Please enable your camera for participation.

Stephanie Hill, Marketing & Virtual Experience Manager
Stephanie Hill is the Marketing & Virtual Experience Manager at Meyers Nave. With over 10 years of experience ranging from television production to law firm business development and marketing, Stephanie leverages her tech-focused expertise to develop strategies and tactics that impact client growth, finds and pursues new opportunities, and implements new and innovative business development initiatives. Stephanie has been a longtime committee volunteer for the Legal Marketing Association (LMA) and currently serves as Chair to LMA's Sacramento City Group.
