Legal Professionals Incorporated (LPI) offers scholarships to persons desiring a career in the legal field. A career in the "legal field" shall be interpreted and defined as follows: (i) legal secretary; (ii) legal assistant (including paralegal); (iii) court reporter; (iv) law office administrator; and (v) court clerks. Scholarships are not intended for students planning to enter law school.

An applicant must (i) be a legal U.S. resident, (ii) be a legal California resident, (iii) live in California during the scholarship year, and (iv) be enrolled in a school or online approved program of no less than six months in duration during the scholarship year.

High school students who have not yet finalized their college plans acknowledge that the decision to attend school outside of the State of California, even if such decision is made after a scholarship has been awarded, will result in the forfeiture of the scholarship award.

The application and accompanying documentation (see separate checklist) should be neatly handwritten and/or typewritten on current forms (dated "September 2026" in the footer of each form). Applications are accepted via email, U.S. mail or overnight delivery.

I acknowledge I have read and understand the above eligibility requirements for the Eula Mae Jett Scholarship Program.
