## About the Presenter

An attorney with Regal Tax & Law Group, PC. and a native San Franciscan, I practice with a focus on corporate tax planning matters, regulatory compliance and tax controversy. I routinely resolve over 30 million in tax issues per year on behalf of taxpayers. I bring over 15 years of experience in working with state and federal taxing or regulatory agencies to my clients, and have significant experience in state lawful cannabis taxation. I have been honored to be recognized as a Rising Star attorney by SuperLawyers three years running.

This webinar is approved for California Minimum Continuing Legal Education (MCLE) credit in the amount of 1.0 credit hour.
