In 1929, an idea was formed and initiated to gather together a group of legal secretaries in order to learn what was required in the preparation and filing of legal documents. By 1934, this idea blossomed and spread throughout the state of California, and in 1940, Legal Secretaries, Incorporated (also known as LSI®) was formed as a nonprofit mutual benefit corporation. In the new millennium, LSI® has emerged as Legal Professionals Incorporated (LPI) and continues to grow by serving legal professionals throughout the state of California with a variety of programs and services, including:

- Continuing education and professional development
- Certification through the California Certified Legal Secretary® (CCLS®) program
- Membership in the Legal Specialization Sections
- THE LEGAL PROFESSIONAL® magazine, published quarterly
- LEGAL PROFESSIONAL’S HANDBOOK (published by The Rutter Group)
- LAW OFFICE PROCEDURES MANUAL (published by The Rutter Group)
- Networking with other legal professionals
- Membership benefits and discounts
- Legal Professionals Incorporated is a State Bar-approved MCLE provider

Associations located throughout the state offer monthly educational and professional programs with many sponsoring lunchtime learning, evening and weekend long-term educational workshops. Conferences are held in May, August, November, and February at various locations throughout California, hosted by an LPI local association. Continuing educational seminars and workshops are offered at each conference conducted by respected attorneys, judges, and educators. Updated materials are provided for every workshop.

LPI uses a variety of social media platforms to keep its members and the legal community up to date on forthcoming events, educational opportunities, webinars, and conferences. (Our vendor partners are also featured in our social media posts.) Prospective members and other legal professionals are also directed to our website via social media. LinkedIn, Facebook, Twitter, Instagram, YouTube, Tik Tok, and our blog, THE PODIUM, are all places where LPI shares content.

Our quarterly conferences take place in February, August, and November, with our annual conference in May. These conferences are held throughout California and are hosted by a local association. Advertisers are featured in the conference program, a pre-conference slide deck presentation, and/or during conference announcements. The conference includes educational workshops as well as corporate business conducted by the Board of Governors. Vendors have the opportunity to display and showcase their services at a vendor table throughout the conference weekend. Please contact us for more information on specific opportunities.

LPI accepts articles for both THE LEGAL PROFESSIONAL® magazine and THE PODIUM, LPI's online blog. Articles must be of general interest to legal professionals, not a product or service advertisement, and are subject to approval and/or editing. Editors reserve the right to reject submissions. Unless the author obtains prior permission, all articles submitted become the property of LPI.
